

TRACK 25

Track 25 is a square Slimline track with wheeled runners. Measuring only 17mm wide and 14 depth make it ideal for top fixing in a confined situation. Different combinations of both a simple hand drawn track and a Ripple-fold track front or back. A set comes with a Standard Face Fix bracket, incorporating top fix plate with cam lock.

Cut to Measure only available in White Powder Coat or Anodised Silver
please specify colour when ordering

Single Hand Drawn
Double Hand Drawn

T2501
T2505

Track 25 Ripple-fold comes, with a dome stud tape, which easily snaps onto a dome slider. *Each slider is connected and spaced at 60mm intervals. The Stud tape domes are spaced at 108mm intervals, together giving an approx 100% fullness of curtain, giving it the WAVE LOOK*

Single Ripple-fold
Double Ripple- fold

T2512
T2515

Dual Ripple-fold / Hand Drawn

T2525

When ordering Ripple-folds we require stacking instructions. ie Centre opening or 1 way as well as stacking to which side.

Tape supplied separate after tracks have been assembled.

We Suggest Curtains are made with a lead weighted hem to achieve full wave effect.

Special Combination:

Two Ripple-fold tracks. Supreme Ripple-fold on front and Track 25 Ripple fold on back

Supreme and Track 25 Ripple-folds

SRR25

Supreme Finals extra
